

# JONATHAN TAYLOR

## UX Design and Front End Development

@ jonathanmtaylor5@gmail.com

☎ 317 796 8771

📍 Indianapolis, IN

## OBJECTIVE

"My primary goal is to graduate from IUPUI and have a career in the Indy tech environment in UI/UX design or a career in motorsports."

## EXPERIENCE

### Business Solutions Intern

Indianapolis Motor Speedway via TechPoint's XTern Program

📅 May 2022 - August 2022

📍 Speedway, Indiana

I was able to participate in TechPoint's XTern program and had the opportunity to work at The Indianapolis Motor Speedway as a Business Solutions Intern. While working there I...

- Utilized design tools like Figma to create high-fidelity mock-ups
- Utilized data tools like Hotjar and Google Analytics to get user feedback and track data trends
- Noted design critiques and made suggestions for IMS.com and Score, an in-house IMS application
- Created high-fidelity mock-ups for IMS.com and SCORE
- Gained experience working with a team in an agile development cycle

### Information Desk Attendant

IUPUI Campus Center

📅 August 2021 - May 2022

📍 Indianapolis, Indiana

- Directed campus center patrons to places in and around the campus center
- Helped people with any questions they had about the campus center or the campus in general
- Logged lost and found items and ensured that high-value items were dealt with properly
- Provide a clean and neat environment for patrons by cleaning up around the information desk and Citizens Commons
- Provided good customer service

### Paint Department Associate

Lowes

📅 October 2020 - August 2021

📍 Indianapolis, Indiana

- Assisted customers in finding the right product for their project
- Provided a clean and safe environment for customers
- Coordinated with coworkers to complete daily tasks in the Paint department
- Assisted coworkers in completing tasks in other departments
